        </li><br>

        <img src="beeple.jpg" alt="Beeple's Digital Art" height="300" width="300"
style="float: left;">

        <p style="margin-left: 350px; font-size: larger;">Mike Winkleman, also
known as Beelple, is an American

        graphic designer and digital artist known for his eclectic and surreal
artwork that was sold for

        millions on the NFT market. He creates surreal, eclectic contemporary
art, originally made of

        digital drawings but nowadays principally made of 3D art and visual
compositions that blend pop

        culture references, politics, and contemporary issues with satire.</p>

        <h3 style="margin-left: 350px; font-size: larger;">Notable Works by
Beeple:</h3>

        <ul style="margin-left: 350px; font-size: larger;">

        <li>"Everydays: The First 5000 Days" – A collage of his first 5000 daily
artworks, which sold as an

            NFT for $69.3 million at Christie's auction.</li>

        <li>"Crossroad" – An animated piece that changes based on the
outcome of the 2020 U.S. presidential

            election, sold for $6.6 million.</li>

        <li>"Human One" – A kinetic video sculpture that fetched nearly $29
million at auction</li>

        </ul>

        <br>

        <br>

        <br>

        <br>

        <hr>

        <br>

        <br>

        <li style="font-size: x-large;"><strong><em>Butcher
Billy</em></strong></style=>

        </li><br>
```

<img src="Butcher Billy.png" alt="Butcher Billy's Digital Art" height="300" width="300"

style="float: left;">

<p style="margin-left: 350px; font-size: larger;">Billy Mariano da Luz, also known as Butcher Billy, is

a Brazilian graphic designer and digital artist known for his eye-catching and provocative work that

combines pop culture references with old comic book aesthetics.</p>

<h3 style="margin-left: 350px; font-size: larger;">Notable Works by Butcher Billy:</h3>

<ul style="margin-left: 350px; font-size: larger;">

"The Superhero Media Crossover Project" – A series where he reimagines famous superheroes as

classic rock stars and other iconic figures, blending different aspects of pop culture to create

humorous pieces.

"Stranger Love Songs" – A collection of illustrations that mash up scenes from the popular TV

show "Stranger Things" with classic album covers.

"The Post-Punk/New Wave Super Friends" – A project where Butcher Billy transforms post-punk and

new wave music icons into superheroes, combining his love for music and comic book art.

Immortal Art Gallery

Welcome to World of Digital Art.....

A digital art gallery is a modern platform—either online or in physical spaces—where artworks created or displayed using digital technology are showcased. Unlike traditional galleries that primarily exhibit paintings, sculptures, or photography, digital art galleries focus on art forms born from or enhanced by technology.

What It Is??

- Digital paintings and illustrations
- 3D models and animations
- Interactive installations
- Video art
- NFT (Non-Fungible Token) art
- AR/VR experiences

Some the Our Best Desginers and Their Design:

1. *Beeple*

Mike Winkleman, also known as Beelple, is an American graphic designer and digital artist known for his eclectic and surreal artwork that was sold for millions on the NFT market. He creates surreal, eclectic contemporary art, originally made of digital drawings but nowadays principally made of 3D art and visual compositions that blend pop culture references, politics, and contemporary issues with satire.

Notable Works by Beeple:

- "Everydays: The First 5000 Days" – A collage of his first 5000 daily artworks, which sold as an NFT for $69.3 million at Christie's auction.
- "Crossroad" – An animated piece that changes based on the outcome of the 2020 U.S. presidential election, sold for $6.6 million.
- "Human One" – A kinetic video sculpture that fetched nearly $29 million at auction

---

2. *Butcher Billy*

Billy Mariano da Luz, also known as Butcher Billy, is a Brazilian graphic designer and digital artist known for his eye-catching and provocative work that combines pop culture references with old comic book aesthetics.

Notable Works by Butcher Billy:

- "The Superhero Media Crossover Project" – A series where he reimagines famous superheroes as classic rock stars and other iconic figures, blending different aspects of pop culture to create humorous pieces.
- "Stranger Love Songs" – A collection of illustrations that mash up scenes from the popular TV show "Stranger Things" with classic album covers.
- "The Post-Punk/New Wave Super Friends" – A project where Butcher Billy transforms post-punk and new wave music icons into superheroes, combining his love for music and comic book art.

---

3. *David Sossella*

Davi Sossella is an Italian illustrator, digital artist, and art director that is known for creating beautiful, fantastical compositions that blend elements of fantasy, surrealism, and pop culture. While Sossella studied architecture, he transitioned to digital art, taking his meticulous attention to detail and combining it with bold colors, and dynamic compositions.

Notable Works by David Sossella:

- "Monsters and Dames" – A series of illustrations featuring whimsical and fantastical characters, often showcased in art books and conventions.
- "The Dreamcatcher" – An intricate and colorful piece depicting a surreal landscape filled with imaginative creatures and detailed patterns.
- Various Editorial Illustrations – Sossella has created illustrations for magazines, book covers, and advertising campaigns, showcasing his versatility and wide-ranging appeal.
